1. Qualitative Information on Financial Results for the Three Months Ended June 30, 2025

(1) Overview of Operating Results for the Three Months Ended June 30, 2025

During the first quarter of the current consolidated fiscal year, the domestic economy experienced a moderate overall recovery. Although export-related industries, such as the automotive sector, were affected by the U.S. tariff hikes, personal consumption remained resilient.

In the construction industry, the situation continues to warrant close attention due to persistently high construction material prices and rising labor costs stemming from a shortage of skilled workers. Meanwhile, although orders for public-sector construction declined, private-sector construction, particularly in non-manufacturing industries, saw an increase. As a result, the total order volume rose compared to the same period of the previous year, and the overall trend remained firm.

In May 2025, our Group announced the "Medium-Term Management Plan 2027," aiming to enhance profitability through "Vertical Expansion," which focuses on strengthening the value delivered by sales offices and construction sites, and "Horizontal Expansion," which seeks to deepen collaboration between the construction business and strategic business domains. As key management priorities, we are concentrating on the SECC (Smart Energy Complex City) business, the environment and energy business (offshore wind power generation), and the overseas business. We are actively investing in these areas to further reinforce our business foundation. We continue to promote growth investments while strengthening our investment process, including setting a target ROIC (Return on Invested Capital) of 5% or higher, in order to secure a ROE (Return on Equity) of 10% or higher over the medium- to long-term.

Under these circumstances, the Group's performance for the first quarter of the consolidated fiscal year under review was as follows:

Regarding consolidated net sales, although net sales in the Civil Engineering Business declined, net sales in the Architectural Construction Business increased due to progress in large-scale projects on hand. As a result, consolidated net sales reached \(\frac{1}{2}\)131.3 billion, representing a 17.5% increase compared to the same period of the previous year.

Regarding operating profit and loss, gross profit increased to ¥16.2 billion, up 54.7% year-on-year, primarily due to higher gross profit in the Architectural Construction Business. Selling, general and administrative expenses rose to ¥12.1 billion, up 14.9% year-on-year, mainly due to increased personnel costs. Nevertheless, operating profit amounted to ¥4.0 billion, compared to an operating loss of ¥100 million in the same period of the previous year.

Ordinary profit came to \(\frac{\pmathbf{4}}{6}.1\) billion, a 152.4% increase year-on-year, reflecting non-operating income such as dividends received from investment securities held.

Quarterly net profit attributable to owners of parent decreased by 4.7% year-on-year to ¥3.5 billion, due to a decline in gain on sale of investment securities.

The results for each segment including intersegment sales and transfers were as follows.

Please note that the Group has changed the method of measuring segment profit or loss starting from the first quarter of the current consolidated accounting period. For details, please refer to "2. Quarterly Consolidated Financial Statements and Notes (3) Notes to Quarterly Consolidated Financial Statements (Notes on Segment Information, etc.)" under "3. Matters related to changes in reporting segments, etc."

Architectural Construction Business

Net sales were ¥75.3 billion, down 4.1% year-on-year, and the segment profit (operating profit) was ¥4.7 billion, up 379.5% year-on-year.

Orders received by the Company on a non-consolidated basis decreased by 9.2% year-on-year for domestic private-sector construction but increased by 97.8% for domestic public-sector construction, resulting in an overall increase of ¥76.3 billion, up 3.2% year-on-year.

Civil Engineering Business

Orders received by the Company on a non-consolidated basis increased by 164.7% year-on-year for domestic private-sector construction and by 105.2% for domestic public-sector construction, resulting in an overall increase of ¥31.8 billion, up 132.3% year-on-year.

Domestic Investment and Development Business

Net sales were \(\frac{\pma}{2}\).4 billion, up 64.7% year-on-year, and segment loss (operating loss) was \(\frac{\pma}{3}\)300 million, compared to a segment loss of \(\frac{\pma}{1}\)100 million in the same quarter of the previous fiscal year.

Domestic Group Companies Business

Overseas Group Companies Business

Environment & Energy Business

Net sales were \(\frac{\pmathbf{4}}{300}\) million, up 63.4% year-on-year, and segment loss (operating loss) was \(\frac{\pmathbf{4}}{400}\) million, compared to a segment loss of \(\frac{\pmathbf{5}}{500}\) million in the same quarter of the previous fiscal year.

(2) Explanation on Financial Condition

Assets, liabilities, and net assets

Assets

As of the end of the first quarter of the current consolidated accounting period, total assets amounted to \(\frac{4}890.1\) billion, a decrease of \(\frac{4}33.3\) billion (down 3.6%) compared to the end of the previous consolidated accounting year. This was primarily due to a \(\frac{4}{6}.9\) billion increase in costs on construction contracts in progress and a \(\frac{4}{15}.9\) billion increase in machinery, vehicles, tools, and fixtures, offset by a \(\frac{4}{3}6.9\) billion decrease in notes receivable, accounts receivable from completed construction contracts and other, and a \(\frac{4}{14}.7\) billion decrease in construction in progress.

Liabilities

As of the end of the first quarter of the current consolidated accounting period, total liabilities amounted to ¥541.0 billion, a decrease of ¥29.3 billion (down 5.1%) compared to the end of the previous consolidated fiscal year. Although commercial papers increased by ¥25.0 billion, this was offset by decreases of ¥19.1 billion in notes payable, accounts payable for construction contracts and other, ¥24.8 billion in short-term borrowings, and ¥10.0 billion in bonds payable.

Net assets

As of the end of the first quarter of the current consolidated accounting period, total net assets amounted to \(\frac{\pmathbf{3}}{349.1}\) billion, a decrease of \(\frac{\pmathbf{4}}{4.0}\) billion (down 1.1%) compared to the end of the previous consolidated fiscal year. Although \(\frac{\pmathbf{3}}{3.5}\) billion in quarterly net profit attributable to owners of parent was recorded, this was offset by a dividend payment of \(\frac{\pmathbf{4}}{4.6}\) billion and a \(\frac{\pmathbf{2}}{2.4}\) billion decrease in foreign currency translation adjustment. The equity ratio stood at 38.0%.

Independent Auditor's Review Report on Quarterly Consolidated Financial Statements

August 8, 2025

The Board of Directors TODA CORPORATION

Fujimi Audit Corporation Tokyo Office

> Toshio Saito Designated Engagement Partner Certified Public Accountant

> Takeshi Morinaga Designated Engagement Partner Certified Public Accountant

Auditor's Conclusion

We have reviewed the consolidated financial statements of TODA CORPORATION and its consolidated subsidiaries (the Group) included in the Appendix to Consolidated Financial Report, namely, the quarterly consolidated balance sheet as of June 30, 2025, quarterly consolidated statement of income, quarterly consolidated statement of comprehensive income, and notes.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying quarterly consolidated financial statements are not prepared, in all material respects, in accordance with Article 4, Paragraph 1 of the Tokyo Stock Exchange, Inc.'s standards for the preparation of quarterly financial statements (the Standards) and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.

Basis for Auditor's Conclusion

We conducted our review in accordance with review standards for quarterly financial statements generally accepted in Japan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Review of the Quarterly Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our review of the quarterly consolidated financial statements in Japan, including those applicable to audits of financial statements of entities with significant public interest, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the evidence we have obtained provides a basis for our conclusion.

Responsibilities of Management, the Corporate Auditor and the Board of Corporate Auditors for the Quarterly Consolidated Financial Statements

Management is responsible for the preparation of these quarterly consolidated financial statements in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards, and for the internal controls as management determines are necessary to enable the preparation of quarterly consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the quarterly consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, including the disclosures related to matters of going concern as required by Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.

The Corporate Auditor and the Board of Corporate Auditors are responsible for overseeing the execution of the Directors' duties in establishing and operating the Group's financial reporting processes.

Auditor's Responsibilities for the Review of the Quarterly Consolidated Financial Statements

Our responsibility is to express a conclusion on these quarterly consolidated financial statements based on our review.

As part of a review in accordance with review standards for quarterly financial statements generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the review. We also:

- Make inquiries, primarily of management and persons responsible for financial and accounting matters and apply analytical and other quarterly review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in Japan.
- Conclude based on the evidence obtained whether anything has come to our attention that causes us to believe that the quarterly consolidated financial statements are not prepared in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards, should we determine that a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. Additionally, if we conclude that a material uncertainty exists, we are required to draw attention in our auditor's quarterly review report to the related disclosures in the quarterly consolidated financial statements or, if such disclosures are inadequate, to modify our conclusion. Our conclusions are based on the evidence obtained up to the date of our auditor's quarterly review report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate whether anything has come to our attention that causes us to believe that the overall presentation and disclosure of the quarterly consolidated financial statements are not prepared in accordance with Article 4, Paragraph 1 of the Standards and accounting principles for quarterly financial statements generally accepted in Japan, applying the provisions for reduced disclosures as set forth in Article 4, Paragraph 2 of the Standards.
- Obtain evidence regarding the financial information of the entities or business activities within the Group that forms the basis for expressing a conclusion on the quarterly consolidated financial statements. We are responsible for the direction, supervision and review of the documentation of the quarterly review. We remain solely responsible for our conclusion.

We communicate with the Corporate Auditor and the Board of Corporate Auditors regarding the planned scope and timing of the review and significant review findings.

We also provide the Corporate Auditor and the Board of Corporate Auditors with a statement that we have complied with the ethical requirements regarding independence that are relevant to our review of the quarterly consolidated financial statements in Japan, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied to reduce threats to an acceptable level.

Interest Required to Be Disclosed by the Certified Public Accountants Act of Japan

Our firm and its designated engagement partners do not have any interest in the Group which is required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.
